**You May Be Eligible For Additional Funding For College!**

- If you are a youth in foster care or were in foster care **after your 13<sup>th</sup> birthday**, and you are attending or applying to college, you **may** be eligible for more funding and support services. - **Please note: This program is NOT the same as Education Training Voucher (ETV)!** You can apply for and receive both.

**What do I need to do?**

- The New York State Education Department (NYSED) State University of New York and City University of New York needs to know if you are currently or previously in foster care. They need this information to determine if you can get the funding or support.
